

SERIF POSTERDESIGNER PRO FOR HP

THE EASIEST WAY TO CREATE HIGH-QUALITY POSTERS AND BANNERS FOR YOUR HP LARGE FORMAT PRINTERS.

Serif PosterDesigner Pro tailored for HP printers gives you all the design power you need to achieve fantastic posters and banners. Whether you're producing in-house marketing collateral, designing and printing customer artwork to tight deadlines, or producing your own special event advertising, PosterDesigner Pro makes it easy to achieve highest quality results – fast.

Professional looking posters

Choose a template from a collection of over 200 specialized templates; Ready-Made Posters Business Signs, Retail Advertising, Celebrations, School Events, Corporate Events, Sport Themes, Travel Themes, Real Estate Marketing, and much more.

Easily Customized

Once you've selected a template, it's a breeze to change the color scheme, edit text, replace and add photos, or fully customize with new artwork of your own. Benefit from features such as Logo Studio to quickly create stunning, high-impact flashes and logos or Instant Artwork Gallery to enhance your projects with a simple drag and drop from the on-screen Gallery straight onto your page.

Designed for Printing with HP

In an effort to guarantee the best possible large format printing experience HP continues to partner with industry leaders such as Serif. Print high-quality, high-resolution posters fast with output technology tailored to HP large format printers. Print at any size with designs that automatically rotate and scale to suit the selected print media using Original HP inks and Original HP printing materials.
